URGENT – VOLUNTARY PRODUCT RECALL

May 5, 2010

Dear Retailer/Customer:

McNeil Consumer Healthcare, Division of McNEIL-PPC, Inc., in consultation with the U.S. Food and Drug Administration (FDA), is voluntarily recalling all lots that have not yet expired of certain over-the-counter (OTC) Children's and Infants' liquid products manufactured in the United States and distributed in the United States, Canada, Dominican Republic, Dubai (UAE), Fiji, Guam, Guatemala, Jamaica, Puerto Rico, Panama, Trinidad & Tobago, and Kuwait. (SEE RECALLED PRODUCT LIST BELOW).

McNeil Consumer Healthcare is initiating this voluntary recall because some of these products may not meet required quality standards. This recall is not being undertaken on the basis of adverse medical events. However, as a precautionary measure, parents and caregivers should not administer these products to their children. Some of the products included in the recall may contain a higher concentration of active ingredient than is specified; others may contain inactive ingredients that may not meet internal testing requirements; and others may contain tiny particles. While the potential for serious medical events is remote, the company advises consumers who have purchased these recalled products to discontinue use.

Action Requested:

1. Identify **all retail inventory** of products listed below, remove them from your shelves and return them immediately as per the attached "Return Authorization Form" or send them to your supplier or headquarter warehouse.
2. If you have sub-distributed any of the products listed below to any other locations, please take the necessary steps to have your customers return these products to you for consolidation of inventory and return to McNeil Consumer Healthcare. Utilize a copy of the enclosed information to facilitate and document this action with each of your sub-accounts.

We appreciate your cooperation in helping us successfully execute this voluntary recall. If you have any questions related to the return of this product, please contact Stericycle at 877-857-4138. If you have any questions about the product, please contact your McNeil Consumer Healthcare Sales Representative or call 888-222-6036.
