Stamina Products Recalls Elliptical Machines; Provides New Warning and Assembly Instructions

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: Elliptical Cross Trainers

Units: About 11,000

Manufacturer: Stamina Products Inc. of Springfield, Mo.

Hazard: Stamina modified the warning/assembly instructions in the owner's manuals to emphasize that the elliptical pedal shafts must be securely tightened to the cranks. If not securely tightened, the pedal shafts could become loose from the cranks, which could result in serious injury to the user and/or damage to the product.

Incidents/Injuries: None reported

Description: This recall includes the following elliptical machines:
