How to get the word out

People want to know all the latest on COVID-19, but they don't always know how to get it. With our video series, they can get what they need, how and when they want it.

We encourage all of our partners to get the word out with us. If you would like to host the videos on your site, here's how:

- 1. Look for the "Share" button below the video**
- 2. Copy URL**
- 3. Share via email or social media!**

OR copy embed code to add to your site. Ask your IT team for help if needed.

Rarely, we have to remove videos due to changing information, so please double-check availability before sharing.
