Great for the whole family

A family membership covers everyone in your immediate family, including a spouse, all dependents under the age of 23 and pets.

Save even more with 90-day prescriptions

Remember to ask your pharmacist about 90-day prescriptions. With 90-day prescriptions on value-priced generics, you get three refills for the price of two 30-day fills.

With 90-day prescriptions, you'll also have fewer refills and lower costs, which mean less of a chance of missing a dose—an important factor in getting the most from your medication therapy.

Together, Walgreens Prescription Savings Club and 90-day prescriptions at Walgreens give you the most for your healthcare dollars, all from the pharmacy you trust.
