

## Value-Priced Medication List

The price for a generic drug is based on its tier and whether it's a 30-day or 90-day supply.†

Price may be as low as:

\*List of drugs is not all-inclusive. Ask your Walgreens pharmacist if your medication is a value-priced generic.

†The day supply is based on the average quantity dispensed for the specific drug and strength as indicated in the list. Larger quantities cost more.

Program participants can save up to 80% off cash retail prices for prescriptions purchased from participating Walgreens stores via the Walgreens Prescription Savings Club program. Cannot be combined with any form of insurance or other pharmacy benefit program. Actual savings will vary. For details, see [Walgreens.com/RxSavingsClub](https://www.walgreens.com/RxSavingsClub).

Walgreens Prescription Savings Club Program ("Program") is NOT Insurance. Membership fee required (\$20 individual or \$35 family per year) and must be paid at a participating Walgreens or Duane Reade store located in the United States, excluding stores in Connecticut, Massachusetts, Mississippi, Washington, Missouri and South Carolina (each a "Provider"). Program offers Members the right to purchase specified healthcare items or services from Providers at a discounted rate. Amount of the discount may vary based on type of item/service Member purchases, but Providers will not charge the Member more than the discounted rate. The Program does not make any payments to Providers. Member is entirely responsible for paying discounted price to the Provider at time of service. Membership may be canceled within 30 days of the enrollment effective date for a full refund. To request: (i) a list of participating Providers (name, city, state) and/or (ii) the full terms and conditions of the Program before joining, call 866-922-7312 or visit [Walgreens.com/RxSavingsClub](https://www.walgreens.com/RxSavingsClub). WAGDCO, LLC, 104 Wilmot Rd., Deerfield, IL 60015 is a discount medical plan organization regulated by State Insurance Commissioners.
