

Medicare enrollment checklist

Here's what you need to enroll:

Your ZIP code _____

List of your current healthcare providers

List of your medical conditions

List of medications you take

Your Medicare card (if you've enrolled before)

Photo ID (bring to in-person consultations)

Once you get your plan options, remember to discuss your benefits with a licensed insurance agent.

Important question to ask:

1. Does my plan have a preferred pharmacy network?
2. Where are my current drugs on the plan's formulary?
3. Should I consider a Prescription Drug Plan (PDP) or a Medicare Advantage Prescription Drug Plan (MAPD)?
4. What will be the total monthly cost?
5. Do I qualify for financial assistance, such as Extra Help or low-income subsidies?
