

Happy you. Healthy you.

HELLO PRESCRIPTION SAVINGS CLUB

Your Rewards Resource

We know our Walgreens team members are our best customers! That is why Walgreens is giving **you a free* Prescription Savings Club (PSC) membership**. The Walgreens PSC is a prescription savings program that offers members discounts on all generic prescription drugs and thousands of brand name medications. The membership also earns you 10% bonus dollars on over 30 Walgreens-owned brands, and on in-store photofinishing services.

Membership Benefits

You can choose an individual or family membership, and eligible covered family members include your spouse/domestic partner, dependent children under the age of 23, and your pets. Membership benefits include:

- Savings on all generic medications and thousands of brand name drugs
- The ability to earn 10% bonus dollars on over 30 Walgreens-owned brands, and on in-store photofinishing services! This is in addition to your employee discount — and these bonus dollars are applied after your Walgreens discount is calculated
- A 20% discount on flu shots
- Savings on nebulizers and diabetic supplies
- Discounts on select pet prescriptions - those that have a "human equivalent" and are available in our pharmacies
- Online pricing and savings tool at walgreens.com/rxsavingsclub

Prescription savings
for you, your family
and even, your pets!

Eligibility & Enrollment

You and your qualified dependents are eligible to participate if you are a full- or part-time active team member and have at least 30 days of service. You do not need to participate in other Walgreen benefits to participate in PSC.

To enroll, visit www.walgreensaddedbenefits.com. You can also access through either myHR (search Prescription Savings Club) or through the Live Well Benefits Store website, by clicking on **Added Benefits**.

Additional Information

Membership is valid for one year from enrollment. You may upgrade from an individual to a family membership at any time. PSC is not insurance, and team members or family members enrolled in a publicly funded program, such as Medicaid or Medicare, are not eligible.

**The PSC membership is free; however, the Internal Revenue Service (IRS) rules require team members to pay tax on the value of the card. Individual membership is valued at \$15 and family membership is valued at \$30. Depending on your tax bracket, the tax is about \$3 to \$5 per year and will be listed as "IMP PSC" on your paycheck following enrollment or renewal.*
