

AUTHORIZATION INSTRUCTIONS

The authorization form must be completed and signed in order for the authorization to be valid as defined by the HIPAA privacy rules (45 CFR Parts 160 and 164).

Section 1: This section contains your information. This means that it is your information that would be released in accordance with your authorization.

Section 2: Provide the information of the person who you are authorizing to receive your protected health information (“PHI”). Please note that this may not always be a company. It may also be a specific person or class of persons. For example, your spouse, a specific family member, pharmacy, etc.

Section 3: This section requires that you list the information that you are authorizing us to release. This section must be specific enough for us to understand the nature of your authorization.

Section 4: The purpose for requesting the information should be provided. For example, “maintenance/management of family health care,” etc.

Section 5: The authorization must include an expiration date or event. The expiration date or event must either be a specific date in the future (e.g., 01/01/2020), a specific time period (e.g., one year from the date of signature), or an event directly relevant to the individual or the purpose of the use or disclosure (upon death, 4 months after my death). The authorization cannot contain an indeterminate expiration date such as “when I revoke it,” “never,” N/A, upon notification or leaving the line blank.

Section 6: This section includes information regarding the authorization that you should read.

Section 7: Must be signed and dated.

Section 8: If you are signing the authorization as the legal representative of the individual listed in Section 1, and are other than the parent of the minor child whose information you are authorizing us to release, you must also submit documentation that establishes yourself as the legal representative. For example, a copy of a Power of Attorney that includes provisions to obtain medical information, etc.
