How to schedule a COVID-19 vaccine appointment

We're here to support you every step of the way throughout your vaccination journey while keeping your health and safety our top priority.

Prepare to schedule

- Create a **Walgreens.com** account ahead of time to make scheduling fast and easy
- Get updates on vaccine availability near you at **Walgreens.com/VaccineUpdates**

Schedule appointment(s)

- Schedule online at **Walgreens.com/ScheduleVaccine**, call **1-800-Walgreens** or download the free Walgreens App
- After booking, you'll receive an email confirming your appointment(s)
- To receive a vaccine, please bring a **photo ID** and a **copy of your COVID-19 voucher**
